TABLE OF CONTENTS FOR THE SOVIET PERIODICAL "TANKIST," NO 12, 1948

The Soviet periodical Tankist (Tank Man) has not been received in this country since 1947, presumably having been removed from the list of Soviet periodicals licensed for export at that time. The table of contents for the January 1948 issue has been compiled from subject listings in the periodical, Letopis' zhurnal'nykh statey (Annals of Articles Appearing in Journals).
